Art Swap: Birds Mini Shrines

Helga says:

Birds hold such a special place in my heart. Did you know that the sound of birds singing is supposed to be the most comforting sound to a human? So wonderful! Let's make mini shrines for each other honoring the beauty and greatness of birds.

When all of the mini shrines for this swap have been received, I'll ask you to vote for the winner on our website. This lucky winner will receive an amazing bird-themed prize package.

3 or 6 Mini Gothic Shrines with a Birds theme.
