Art Swap: Altered Eco Embellishments

Helga says:

I'm just obsessed with our Eco Embellishments right now. We've got them in cool birds, butterflies, flowers, gears, mermaid tails and trees. I thought it would be super fun to have a swap where we all play with altering them...and then we'll all end up with some arted up embellishments that we can add to our artwork in the future. How fun is that?!

Be sure to check out our online class with great ideas on ways to alter them. Get creative and have fun!

When all of the eco embellishments for this swap have been received, I'll ask you to vote for the winner on our website. This lucky winner will receive a \$30 gift certificate to ARTchix.
